

YOUR RENT YOUR SAY

Help decide how your rent and service charges are spent.

MKC is holding a consultation on the Housing Revenue Account (HRA) business plan to help us prioritise our spending. The HRA pays for the maintenance and improvement of council homes, the provision of new council homes, the provision of services such as caretaking, and making sure homes are safe and well maintained.

The 'your rent, your say' consultation gives tenants and leaseholders the opportunity to tell us what their priorities are for themselves, their home and their neighbourhood by coming along to one of our consultation events.
