

# Galley Hill Residents Association

MKCC have outlined their proposal to lease the former Arts Centre & the Small Meeting Place to charities that cannot afford the rent on Kiln Farm. These charities would be using the site as distribution centres resulting in an increase in traffic & further parking problems in Barford. The PDC next door to the school will be repurposed to a school for high complex needs children aged 11-16. Furthermore they put forward proposals to build a supermarket & drive thru on the green space between the school playing field and the H1 Ridgeway.
